## >>> SOUTH CAROLINA PLAYER QUOTES

### **Bryan Edwards • WR • Sr.**

*On how close the final pass was to being a catch...*

“I think I caught it; I don’t know if I was in bounds or not. It was one of those bang-bang plays, one of those plays I’ll have to go back and look at.”

*On responding for the final two games...*

“It’s two games left on the table and we are trying to get to a bowl game. I’m coming to compete every week so; I expect everyone else to do the same.”

*On getting the receiving yards record in the game...*

“My goal was to obviously get the all the records and it’s good, but I mean we lost.”

### **Donell Stanley • OL • RS-Sr.**

*On responding for the final two games...*

“We lost the game, if we would’ve won it, we would have celebrated it for 24 hours and moved on. We lost it, we dwell on it and then move on.”

*On the final drive of the game...*

“The whole game we killed ourselves and we can’t do that. No matter who you are playing, you can’t do that. We thought we were in a good spot and we got a holding called and that put us back and then we felt a desperation with no time outs and less than 10 seconds left. We just have to be better.”

*On the inconsistency of play throughout the season...*

“We’re frustrated and so is everyone, we just have to find the answers. We are not the type of people to point fingers at anybody, we are just going to accept what happened tonight and move on and come out these next two games and play how we play.”

### **D.J. Wonnun • B/S • Sr.**

*On missed tackles...*

“We just have to go back to the drawing board and keep playing hard.”

*On moving forward to next week...*

“I need to do what I can to keep everyone’s spirits high, and just make sure our guys find strength in this and keep moving forward.”

*On watching the final drive...*

“We have two games left, we can’t let the loss become our focus.”

*On controlling the quarterback...*

“Our main focus was pushing the pocket. I thought we did a pretty good job of doing that.”

### **Ernest Jones • LB • So.**

*On his interception...*

“When I went into the rush and I stepped back, I could see that the quarterback was looking toward me. His front hand kind of came off the ball, so he threw it and it came right at me.”

*On the offense not moving the ball...*

“We just need to continue to do our job. We can’t go into the game thinking that they are supposed to do something, and put up a bunch of points. We just have to go do our job.”

*On losing the game...*

“It’s frustrating that we lost. It’s frustrating to lose any game.”

*On watching the final drive...*

“It was emotional. We really thought they were going to get us the win, we were all optimistic about that. When Bryan didn’t come down with it, that was disappointing. We have two games left and we need to focus on that, we need to look at what went wrong, fix it, and focus on Texas A&M next week.”
